Classic Update Series

The wiring systems of the 1964- 1974 Pontiac GTOs are probably closer in complexity to a Model T Ford than anything currently in showrooms. While that may be true, wiring systems are still a point of fear and loathing among many restorers of Pontiac GTOs and other muscle car era machines. The truth is, it ...

Access Free 65 Gto Dash Wiring Diagram

I have a wiring harness diagram. The harness from switch (M20 4 speed) on the transmission to under dash is not part of the dash or engine harness and has a two prong connector like the ones going to fuel gage and windshield wiper switch. Needless to say when I pulled the dash harness it was plugged up to something and I didn't mark or take a ...

1964 gto. reverse light harness. Question: reverse switch ...

I have a 65 gto that was stripped and the wiring harness i put in under the dash was for a tempest with idiot lights on the dash My question is my 65 has factory gauges and on the motor there are the factory sending units on the motor for the rally gauges How do I wire or cut off light sockets to make it work with the factory gauges ?
