### A

A or a is the first letter and the first vowel letter of the modern English alphabet and the ISO basic Latin alphabet. Its name in English is a (pronounced / ' eɪ /), plural aes. It is similar in shape to the Ancient Greek letter alpha, from which it derives. The uppercase version consists of the two slanting sides of a triangle, crossed in the middle by a horizontal bar.

Despite its diminutive size, à is a hugely important French preposition and one of the most important words in the French language. Its meanings and uses in French are many and varied, but at its most basic, à generally means 'to,' 'at' or 'in.' Compare à to de, meaning 'of' or 'from,' with which it's often confused.

The HTML `<a>` tag is used for creating an a element (also known as an "anchor" element).. The a element represents a hyperlink. This is usually a link to another document. You can use the `<a>` tag to link text or images. You can also link a large block of content (even containing multiple elements) if required - it's not just restricted to hyperlinking single elements.
