A Conflict Of Visions Thomas

Thomas Sowell is to be congratulated for his clarity of thought as well as his considered compassion. In 'A conflict of visions' he shows just how different the world views are, and how they lead to incompatible policies. As idealism clashes with realism, we have the conflict between Plato's vision and that of Aristotle.

A Conflict of Visions: Ideological Origins of Political ...

A Conflict of Visions is a book by Thomas Sowell. It was originally published in 1987; a revised edition appeared in 2007. Sowell's opening chapter attempts to answer the question of why the same people tend to be political adversaries in issue after issue, when the issues vary enormously in subject matter and sometimes hardly seem connected to one another. The root of these conflicts, Sowell claims, are the "visions", or the intuitive feelings that people have about human nature; different visi
