I can't be the only one, please someone tell me I am not the only one who sees The Last of Us as a casual and ordinary game with a good story? I mean right now I feel like the only sane person in the world who can see past the massive hype behind The Last of Us, with people giving the game 10/10 across the board and lording it as this year's ...

## **The Last of Us hype train... Am I the only sane person ...**

I can't imagine that I'm the only one who sees the insanity of it all. And so I ask, am I the only sane one left and everyone else has gone crazy or is it the other way around.
