I recently recieved my used appleton and lange review book and was very pleasantly surprised. The book was in very good condition and contained the original disc which was most helpful and the one item I most worried would not be included. Excellent!

Appleton and Lange Review for the Radiography Exam ...

5.0 out of 5 stars Very good review book. I've used this book while studying for my Boards in 2007. Now, being a licensed pharmacist, I recommend it to all my students. In particular, reviewing all the cases at the end of the book DO HELP tremendously in preparing yourself for the actual NAPLEX format questions.
