An appellate court that sides with the defense can reverse a conviction, alter a sentence, or order a new trial altogether. In rare cases, the appellate court will dismiss the case altogether. Always Talk to an Attorney. If you are facing criminal charges, seek advice from an experienced criminal defense attorney right away.

### **How Does the Criminal Process Work? | AllLaw**

The criminal justice process is like a funnel, wide at the top and narrow at the bottom. Early in the criminal justice process, there are many cases, but the number of cases dwindles as decision makers remove cases from the process. Some cases are dismissed, while others are referred for treatment or counseling.

### **Criminal Courts: Structure, Process, and Issues 4th ...**

Structure of the courts & tribunal system. Our courts system is complicated and – in places – confusing, because it has developed over 1,000 years rather than being designed from scratch. Different types of case are dealt with in specific courts: for example, all criminal cases will start in the magistrates' court, but the more serious criminal matters are committed (or sent) to the Crown Court.
