Not all amps are made the same - at least in the eyes of the metal gods. And while there's no shortage of distortion pedals out there that could happily turn even the cleanest of twins into a raging bloody-eyed beast, many of metal's heaviest riffers would happily admit it's all about the amp sound, first and foremost. And that's why we've compiled this guide to the best amps for metal.

The 8 best amps for metal 2020: the loudest and proudest ...
