The legality of Library Genesis has been in question since 2015 because it allegedly grants access to pirated copies of books and paywalled articles, but the site remains standing and open to the public.

Europe Unites The Eus Eastern

The EU's eastern enlargement has coincided with a decade of rapid progress toward closer European integration. Poole argues that this enlargement, more than any previous one, is closely linked with major EU projects of integration, including justice and home affairs, monetary union, a common foreign and security policy, and the effort to create a constitutional treaty.

Europe Unites The Eus Eastern Enlargement [EBOOK]

As the European Union prepares to hold a summit with Eastern Partnership states in June (covid-19 allowing), the agenda of that meeting still looks like a throwback to the pre-geopolitical good old days when Russia was not invading its neighbours, China was a "responsible stakeholder" meekly "biding its time", and the United States was inclusive, multilateralist, and ready to cover for EU inaction in domains such as security and defence.

The EU's strategic sovereigntny starts in Eastern Europe ...

Before 2004-2007, when ten countries in Eastern Europe joined the bloc, French was the lingua franca at the EU institutions in Brussels. But other than in Romania, few people in Eastern Europe ...

The United States of Europe (USE), the European State, the European Superstate, the European Federation and Federal Europe are similar hypothetical scenarios of a single sovereign country in Europe (hence superstate), organised as a federation similar to the United States of America, as contemplated by political scientists, politicians, geographers, historians, futurologists, and fiction writers.

United States of Europe - Wikipedia

A European American awareness is still notable because 90% of the respondents classified as white in the U.S. Census knew [clarification needed] their European ancestry. Historically, the concept of an American originated in the United States as a person of European ancestry, thus excluding non-European groups.

European Americans - Wikipedia

The 'eastern enlargement' of the European Union in 2004 and 2007 marked the unification of Western and Eastern Europe, yet many scholars feared negative consequences of enlargement—both for the...
