Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

We bought the Go, Dog. Go! (I Can Read It All By Myself, Beginner Books) version of the book for our twenty-two month old. This is the full version, not the simplified board book. It quickly became a favorite- surpassing It's Not Easy Being a Bunny, which had been the go-to book for months. The story and the illustrations encourage discussion.
