In Defence Of History Richard

In the Introduction to his book, Richard Evans expressed this idea clearly: "The theory of history is too important a matter to be left to the theoreticians" (p. 12). It's the old debate between the doer and the thinker, no tolerance for the other.

In Defence Of History - Richard J. Evans - Google Books

Though his name is on the cover Richard J. Evans did not really write In Defence of History - rather, the dominant paradigm of the English empiricist tradition wrote it for him, because he made no critical attempt to interfere with its passage through him onto the page.

What is history? book review: In Defence of History

Review: In Defence of History by Richard Evans. Although originally written fifteen years ago, Richard Evans' In Defence of History is still a book I would recommend to both students of history, and those simply curious about the possibility of historical knowledge. Evans, contrary to various postmodern thinkers hoping to cast doubt on the possibility of objectivity in history, argues that:

Review: In Defence of History by Richard Evans

In this volume, English historian Richard Evans offers a defence of the importance of his craft. At a time of deep scepticism about our ability to learn anything from the past, even to recapture any serious sense of past cultures and ways of life, Evans shows us why history is both possible and necessary.

In Defence of History. Under the onslaught of postmodernist theory, the profession of history is in crisis, its assumptions derided and its methods rejected as outmoded. Richard J. Evans mounts a brilliant and compellingly effective defence of the historian's capacity to reach genuine insights about past events. In Defence of History has already become a standard text in the teaching of history.
