### In Search Of Brightest Africa

It will unquestionably be a major contribution to the study of African identity in America. (Graham Hodges author of Root and Branch: African Americans in New York and East Jersey, 1613–1863) With elegant prose, analytic precision, and archival depth, In Search of Brightest Africa forcefully pushes us beyond the enduring image of the Dark Continent. Jones persuasively demonstrates how little-known images and ideas about a 'Brightest Africa' were central to the American imagination as ...

The opening of the American Museum of Natural History's Akeley African Hall in 1936 symbolized the triumph of a vision of Africa almost twenty-five years in its conception. Led by Carl Akeley, naturalists at the AMNH dreamed of "Brightest Africa" (C. Akeley 1924), epitomized in an exhibit that would capture the true essence of the continent and dispel myths of steaming jungles, ferocious beasts, and primitive savages.
