JVC's new 0.69 inch native 4K D-ILA device delivers the sharpest home theater image available. The 4096 x 2160 device with 3.8µm pixel pitch exceeds 4 times HD resolution— 8.8 million pixels.

JVC Pro Product Overview Page

I am waiting for the full 4K panel with laser lamp JVC projectors to come down in price before I upgrade. Thus I decided to just clean out my RS1 and install new fans. When I eventually update it I can still have the RS1 for other uses like projection outdoors on my deck. LOL Its worth keeping it running well. After all I spent \$4K for it.

The zoom lens on the JVC DLA-RS1X has an impressive zoom ratio of 2x combined with the ability to shift the lens which allows for flexibility in positioning. This projector was first available for purchase in March 2008 and has been discontinued by JVC.

JVC Projectors: JVC DLA-RS1X D-ILA projector

I have the JVC RS1 projector and have loved it. Been working great for the past 7 years and still on the same bulb (1800 hrs). However, yesterday I was watching a movie and all of a sudden the picture image started to look wavy.

SISTEMA DE CINE PROYECTOR CINÉMA MAISON D-ILA EN CASA D-ILA

Last March JVC started shipping the DLA-RS1, a 1080p projector featuring D-ILA technology (JVC's proprietary version of LCOS) with a high native contrast ratio of 15,000:1. This month, the DLA-RS2 comes to market, offering even higher performance at a higher price. JVC will continue to market both models at two different price points. The differences between the RS1 and RS2 can be summarized ...

JVC DLA-RS2 Projector Review

JVC's new optical design provides a native contrast ratio of more than 15,000 to 1, a first in home cinema projectors. The DLA-RS1X can be used in a variety of room environments due to its adjustable 80% vertical and 34% horizontal shift lens.

DLA-RS600 DLA-RS500 DLA-RS400 - JVC

Moving to the top of the JVC RS1, there is a vertical band about two inches wide from front to back center. Within this is the control panel, consisting of small buttons and bars. From front to back, there are three indicator lights: Warning, Lamp, and Standby/On. Immediately after those, is the power button (bar). Once to turn on, twice to ...

JVC RS1 Physical Tour - Projector Reviews

Fifth: The JVC RS2's zoom lens is now motorized for zoom and focus, whereas the RS1 had a manual zoom lens. Lens shift appears to still be manual, the literature doesn't specify, and I hadn't asked. The JVC DLA-RS2 should ship as soon as November, but, as is usual, you can never predict which projectors will actually ship on time (most ...
