Kelley Blue Book Official Guide - Home

Kelley Blue Book reports used car values for a variety of buying and selling transactions: trading in your automobile to a dealer, buying a used car from a dealer, buying a used car from a private party and selling your used car to a private party. Blue Book used car values are determined by taking into consideration the equipment and options on the automobile, the vehicle's mileage, the condition of the automobile and the geographic area where the car has been driven.
