### Massachusetts Hydraulic License Study Guide

Anyone who wishes to operate hoisting equipment must get a license through the Engineering Division of the Office of Public Safety and Inspection. To obtain a license, hoisting operators must be 18 years old, complete an application, and successfully pass an exam covering all working parts of the hoisting machinery, safe operating practices, hand signals, and inspection procedures.

### Hoisting | Mass.gov

Part I of the Massachusetts General Laws requires that "Whoever desires to act as an operator of hoisting machinery shall apply to the Department (of Public Safety) for a license." Note that "shall" is used in a legal context, in which case it is construed as stronger than "must."

### Everything You Need to Know to Get Your Massachusetts ...

Previously, the license was called a hydraulics license, but the state of MA has now adopted the term hoisting license. Unlike other courses that last only 2 - 4 hours, our expert instructors spend a full 5 - 6 hours explaining the material using real-life examples, guiding you through interactive exercises and answering questions.
