Questions and Activities

Milo and the magical stones by Marcus pfister. It has two endings, which are happy and sad endings? We still do not know until we read the whole book.

Milo and the magical stones with two endings

First of all, this book is written by the author of The Rainbow Fish and has the same shiny illustrations. The magical stones glow and sparkle in the book. Another reason I really enjoyed this book was the choice of two endings. The author gave readers a choice of a happy ending or a sad ending.
