User Guide for the Polycom SoundStation IP 7000 Phone
I know that I have a very old model, the VSX 7000, but it is the only thing I can afford at this moment. I have been using it for 2 years now. I have two problems: I cannot upate to the latest software. When I am on my computer I typed in the IP address for my polycom and the password, but it rejects the password saying connection refused.
