This 2ed (2002) of Saxon's calculus text is a big improvement over their first. The biggest improvement is in the expanded content to include better coverage of AP calculus test subjects. Some subjects (like the treatments & tests for series, Taylor series & polynomials) that were omitted entirely in the first edition are included here, and some that were in the first edition are earlier in this one.

SAXON CALCULUS SOLUTIONS MANUAL - Second Harvest Curriculum

This solutions manual for the 2nd Edition of Saxon Calculus presents step-by-step solutions to each of the problems in the text. My students and I find it easy to read, with details on each step. The text itself is written in a way that strengthens users algebraic and trigonometric skills - something many Calculus students appreciate (so do their teachers).
