Sorcerer The Hedge Wizards Handbook

WoD: Sorcerer is a great book, detailing a system for "hedge wizards," IE, sorcerers you don't have to break your neck reading the Mage book to understand. The seven or eight Sorcerer lineages bring all kinds of fresh occult material to a World of Darkness where you thought you'd seen everything (just because you know what vampires, werewolves, and wraiths are).

The Sorcerer was introduced in 3rd edition and shared the same spell list with the Wizard. His main feature was that he was a deviation from traditional vancian magic, where most spellcasters needed to memorize specific spells in set "slots" every day and could only cast the spells they had prepared one time per each slot.

Arcane Bond: Arcane bond is both better and worse for sorcerers than it is for wizards. On one hand it creates a weakness the sorcerer doesn't normally have- a pet to die and a staff to break. I really advise against a bonded item- it's primary benefit is of little use to sorcerers- and extra slot that's spontaneously chosen- not need, you have ...

Zenith Games: The (Almost) Complete Guide to Sorcerers

The Wizard is the iconic arcane spellcaster, capable of doing all manner of fantastic tricks, and generally limited only by their spellbook. A Wizard with a comprehensive spellbook can do essentially anything in the game, often as well as or better than a non-magical character who is built to do that thing.

RPGBOT - DnD 5e - The Wizard Handbook

The term "Hedge Wizard" or "Hedge Witch" refers to a variety of spellcasters outside the formal Imperial magic system. By and large, hedge wizards only know a small amount of basic magic and come from rural backgrounds. Most hedge wizards dwell in villages, making their livings as healers. In fact, most claim not to be magic-users at all, instead professing to be apothecaries or herbalists ...
