Starting From Scratch

start from scratch, to To begin from nothing at all, without having a head start or some other advantage. This term comes from racing, where a horse or runner is said to start from scratch when starting from the usual point—that is, the line “scratched” (marked) on the course—while others may be starting ahead with a handicap.

FROM SCRATCH | meaning in the Cambridge English Dictionary

Starting From Scratch is written from the first-person point of view. I've often found this point of view to be rather uneven. I think it's difficult to really get to know all of the characters when first-person is used. Thus, I find the characters to be two-dimensional and character development is nearly non-existent.
