When looking for an eBook on this site you can also look for the terms such as, books, documents, notes, eBooks or monograms.

The Blood Of Strangers Stories

Reminiscent of Chekhov's stories, The Blood of Strangers is a visceral portrayal of a physician's encounters with the highly charged world of an emergency room. In this collection of spare and elegant stories, Dr. Frank Huyler reveals a side of medicine where small moments—the intricacy of suturing a facial wound, the bath a patient receives from her husband and daughter—interweave with the lives and deaths of the desperately sick and injured.

Reminiscent of Chekhov's stories, The Blood of Strangers is a visceral portrayal of a physician's encounters with the highly charged world of an emergency room. In this collection of spare and elegant stories, Dr. Frank Huyler reveals a side of medicine where small moments—the intricacy of suturing a facial wound, the bath a patient receives from her husband and daughter—interweave with the lives and deaths of the desperately sick and injured.

The Blood of Strangers: Stories from Emergency Medicine ...

The Blood of Strangers is a collection of true stories (albiet with a liberal sprinkle of fiction) from the emergency ward, as seen by the author, Anthony Huyler. Forget Casualty or ER, this is the real thing and at times far more visceral. Anthony Huyler seems to have a way with words and medicine.

The Blood of Strangers : True Stories from the Emergency ...

The book is short and to the point, telling a series of short stories from medical school, residency and beyond about people the author knew. Most of them are quirky colleagues: the medical student who accidentally kills his roommate, the trauma surgeon on drugs, the other trauma surgeon who womanizes all the nurses, etc. Loads of fun but not for people who do not understand medical jargon.

The Blood of Strangers: Stories from Emergency Medicine ...

The Blood of Strangers, by Frank Huyler, contains several stories based on Huyler's personal experiences in the ER. Some of these accounts are unbelievably gory, while others are melancholy, tragic, or downright scary. Whatever the story, Huyler describes all of them with such vivid detail and accuracy that it just draws the reader in.

The Blood of Strangers: Stories from Emergency Medicine on ...

Soko smears some blood and applies it on the Kind's forehead. Then, begins incantation, goes into trance and speaks in strange language: "a stranger will come to the land. If you want peace, receive him and treat him well. If you want peace, throw more blood of a virgin from another land".

Blood of a Stranger - SUMMARY OF THE STORY - Litionary

The Blood of Strangers is a truly important work of medical literature. Again and again Huyler's narrative both chimes with my own experience of medicine and suggests different ways of considering the struggle between impassive doctor/technician and the human within.
