The Story Of Chocolate Dk

The story of chocolate starts thousands of years ago in the rain forests of South America, where the Maya people first began to farm cacao trees. The bright pink flowers of these trees developed into hard pods the size of melons, which held precious cocoa beans .

The Story of Chocolate | DK UK

A simply written history of chocolate that gives readers an overview of usage in human consumption from the drink of the Mayans to the eventual transformation in chocolate bars. This is written for lower grade readers, but it does a satisfactory job in giving an overview of how people have enjoyed chocolate. I learned several things from the book.
