European antitrust policy is developed from two central rules set out in the Treaty on the Functioning of the European Union: First, Article 101 of the Treaty prohibits agreements between two or more independent market operators which restrict competition.

Antitrust: Overview - Competition - European Commission

The EU's rules on competition are designed to ensure fair and equal conditions for businesses, while leaving space for innovation, unified standards, and the development of small businesses. The European Commission monitors and investigates anti-competition practices, mergers and state aid to ensure a level playing field for EU businesses, while guaranteeing choice and fair pricing for consumers.

Competition | European Union

The European Union, which has acted on the complaints received, emphasizes the possibility that Apple may create unfair competition. Although the officials say they think Apple will not do such a part of the investigation, they want to formalize this situation with an investigation.

Investigation for Unfair Competition from the European ...

Thus it is only the two combined, the European requirements and national laws, that create "European unfair competition law". Accordingly, the following intends to bring the two levels together. This means that, following a number of basic considerations (Chapter 1), a brief description will be presented of the international requirements, which take priority over European and national law (Chapter 2).

Amazon.com: Customer reviews: Unfair Competition Law ...

The doctrine of trademark functions was developed and discussed under national law long before the CJEU elaborated its much-criticized approach towards the issue. However, the Court readily embraced the concept of functions in order to expand the limits of trademark law into what was previously considered as forming part of unfair competition law, thus creating a fairly consolidated body of case law combining elements of trademark law and unfair commercial practices.

Trademark Functions in European Union Law - Also ...

The law of unfair competition finds its origin in the Paris Union Convention (1883) on the protection of industrial property, in Article 10bis inserted during the Washington Conference in 1900 as amended in The Hague on 1925.
