USP-NF Components. USP-NF is a combination of two compendia, the United States Pharmacopeia (USP) and the National Formulary (NF). Monographs for drug substances, dosage forms, and compounded preparations are featured in the USP. Monographs for dietary supplements and ingredients appear in a separate section of the USP.

### **USP-NF | USP-NF**

USP was founded when 11 physicians took action to protect patients from poor-quality medicines. Convening in the Old Senate Chamber in the United States Capitol, they published a national, uniform set of guidelines for medicine quality called the U.S. Pharmacopeia. Since then, the U.S. Pharmacopeia and the National Formulary (USP-NF) has become an essential compendium on drug quality.
