Working: People Talk About What They Do All Day and How ...

Working: People Talk About What They Do All Day and How They Feel About What They Do is a 1974 nonfiction book by the oral historian and radio broadcaster Studs Terkel. Working investigates the meaning of work for different people under different circumstances, showing it can vary in importance. The book also reflects Terkel's general idea that work can be difficult but still provides meaning for workers. It is an exploration of what makes work meaningful for people in all walks of life, from Lo

There are many varieties of people who "talk down to you." Their words and their tone suggest they know more than you, or that you are not at their same level. It could be someone who is narcissistic. Or who 'mansplains.' Or who is so caught up in their passion for a topic, they lose who their audience is. But whoever it is, the implication is that they are better or smarter than you ...
